## ABOUT ME

Fer Canezza is a Chilean electronic music DJ based in Barcelona, focused on deep grooves and dynamic rhythms through styles such as Deep Tech, Minimal, House, Deep House and Tech House.

She began her career in 2021, developing her skills through professional DJ training at Casa Sonido and DJ School Chile, and is currently continuing her education in electronic music production at SAE Barcelona.

Her sets stand out for dynamic energy, smooth transitions and immersive atmospheres, blending different genres with strong basslines and a constant musical flow. Her main goal is to connect with the audience and deliver an engaging and immersive experience on the dancefloor.
